KLING FROST PHILPOTT & SMITH - ARCHITECTS

An aerial photograph of a modern elementary school building with a long, low profile and a series of large windows. The building is surrounded by a large, open field with scattered trees. In the background, a body of water is visible, and a road with a car is in the foreground. The sky is clear and blue.

THE CLIPPER

Dedication

The Senior Class of 1962 dedicates this year's CLIPPER to the memory of RALPH E. "CORKY" BECK. He was a friend to all of us and was greatly liked by everyone. His loss was deeply felt, especially by the members of his class.

The Lord is my shepherd; I shall not want.

He maketh me to lie down in green pastures;
he leadeth me beside the still waters.

He restoreth my soul: he leadeth me in the paths
of righteousness for his name's sake.

Yea, though I walk through the valley of the
shadow of death, I will fear no evil: for thou
art with me; thy rod and thy staff they comfort me.

Thou preparest a table before me in the presence
of mine enemies: thou anointest my head with oil;
my cup runneth over.

Surely goodness and mercy shall follow me all the
days of my life: and I will dwell in the house of
the Lord forever.

Class History

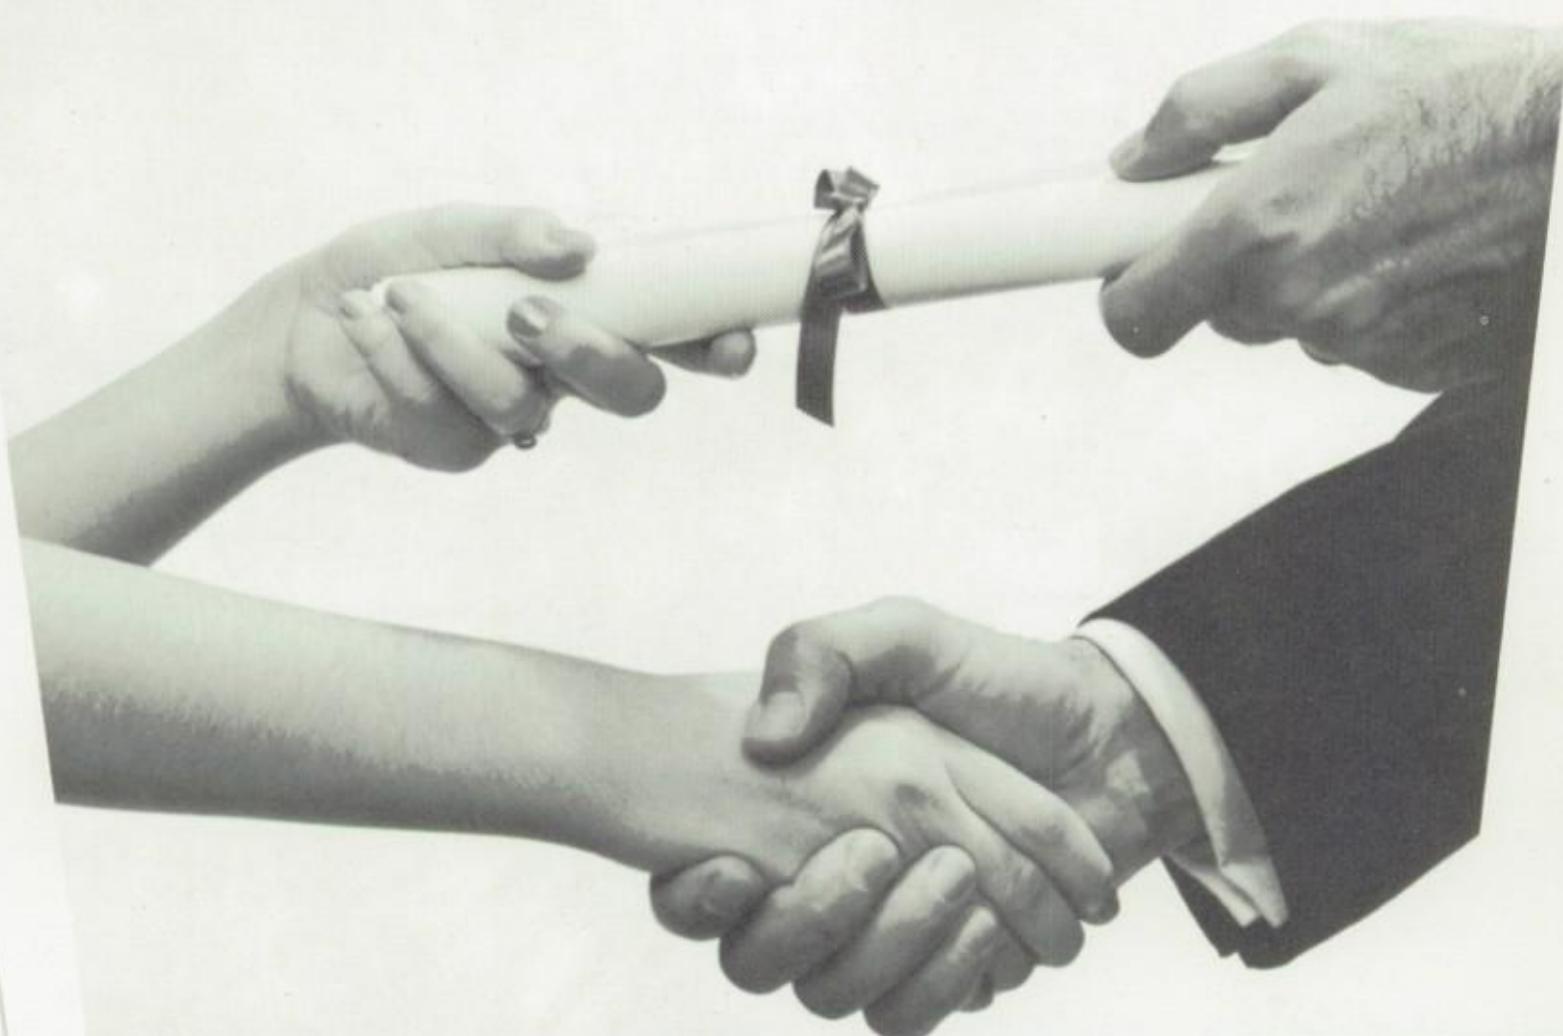

At last! We have finally made it! And, believe it or not, somewhere between freshman initiation and graduation we discovered that it takes more than just "laughing and playing" to get through good old C. H. S. - it takes that little extra something known as studying.

Somehow we survived initiation in our Freshman year and, under the leadership of Becky Way, began saving money for our Senior Class Trip.

In our Sophomore year Corky Beck was our president. This year we learned that our Freshman year wasn't really as hard as we had thought. School could and DID get tougher!

Our Junior year, with Tom Austin as class president, proved to be our most prosperous year. Our refreshment stands at the football and basketball games contributed to making our treasury the largest in the history of C. H. S. This money was used to finance a spectacular Junior-Senior Prom, "Paradise of the Deep," on which the whole class worked tirelessly. One of the most important events of our busy Junior year was the class play "Our Hearts Were Young and Gay" with an "all-star cast" headed by Paula Roth and Sylvia Curl and directed by Mrs. Allen White. One of the highlights of the year took place early in December when the class rings arrived. Never was there a prouder Junior Class!

Finally our Senior year, which was overrun with money-making projects by the Clipper Trippers, under the direction of our class president Dave Garrod. The class play, again a great success, was "You Can't Take It With You" featuring Deane Hetric and Sylvia Curl and directed by Miss Suzanne Nelson. Of course, there were the events always associated with the Senior year - pictures, cards, graduation announcements, caps and gowns, prom, Class Day, Baccalaureate, class trip, and the climax of our school career - Commencement!

Junior Class Play — "Harvey"

The Junior class play this year is the well-known Broadway and movie success "Harvey." It is a three-act comedy about a man and his hilarious pal Harvey, who is a 6 feet and a half inch tall rabbit. It has only recently been released for amateur production. It is under the direction of Mrs. Dorothy Swanson.

Performances are scheduled for Friday and Saturday evenings, April 13th and 14th.

Cast and production staff were not yet selected when our yearbook went to press, but we predict it will be a great success.

DAVE GARROD, a speedy Senior, and captain, played his third year of Varsity football at left end. He was the smallest Senior, but had the greatest determination to win.

DAVE BAILEY, Senior quarterback, won his second Varsity letter in football. He did a superb job of running the option, and was considered one of the finest passers in Tri-County.

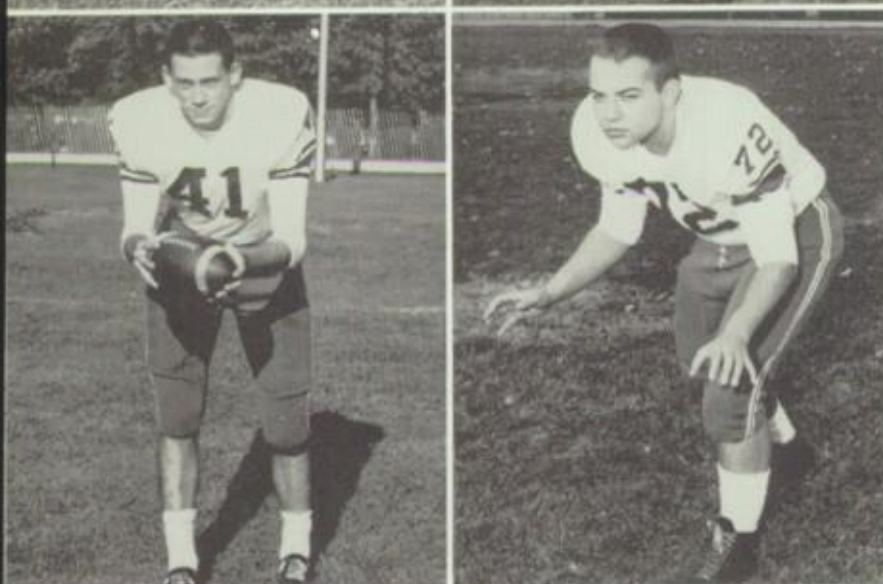

ED OLENIK, a Senior, played his second year of Varsity football at right end. He was outstanding both on offense and defense.

RANDY MILLER, another of the mighty Seniors, earned his second year Varsity letter. At left half he did a terrific job of running and blocking.

DICK STEEB, a Senior defensive specialist, won his second Varsity letter at middle guard, where he stopped many running plays over center.

FRED ZELLERS, a Senior, played his first year of Varsity football at right end. His fine blocking and pass receiving will be missed next year.

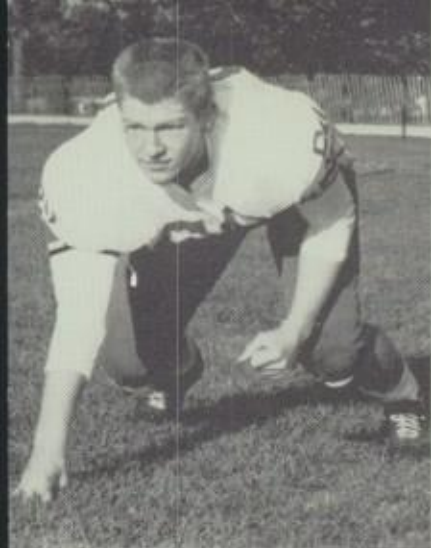

PAUL SCHULZ, a Senior, played his first year of Varsity football at right end. He made many fine catches and was probably the best punter in the league.

MIKE HOUSE, a Senior, won his first Varsity football letter at center. He did a good job of blocking the defensive lineman for our speedy backs.

DALE MURPHY, a Junior and three year letterman at fullback, will be a good foundation for next year's team. His hard running and excellent blocking made him the best fullback in Tri-County.

BOB JOHNSON, another Junior and three-year letterman at left guard, was a constant threat to opposing teams. He was an excellent offensive blocker and was continuously making tackles in the opponents backfield while on defense.

TERRY HENDERSON, although a Junior, played his last year of Varsity football after winning his second letter. He played defensive halfback and put in a fine year.

KEN MAHLER, a Junior, and two-year letterman, should be valuable to the team next year at his center position. This year he opened many gaping holes in the defensive line.

JEFF LINDSAY, a Junior, won his first Varsity letter at C.H.S. He is a hard running fullback and fine defensive back. He was continually making hard, jarring, tackles.

TOM PFUND, a Junior, won his first Varsity letter at right guard. Although small in stature, he was big in determination. He was constantly blocking players twice his size.

BRIAN ARBUCKLE was an outstanding sophomore winning his second Varsity letter at right tackle. He was an excellent blocker and showed his greatest ability at defensive end, where he was a constant thorn in the opposition's side.

JIM WARD, a Sophomore, won his first Varsity letter as a halfback. His great speed allowed him to gain many yards on sweeps around end. Once in the clear, there was no one to catch him.

DUANE SPIKER, a Sophomore, won his first Varsity letter at defensive linebacker. His ability to stay on his feet cost the opposition many yards.

RICK PERRIN, a Sophomore, won his first Varsity letter at defensive back. His alertness made it possible to stop many of the opposition's plays.

YOUTH AND THE WORLD

There is many a battle that's yet to be won,
There is many a glorious deed to be done.
The world is still young! For the youth at its door
There are tasks some shall do never dreamed of before.
It is not an old world, worn and wrinkled and gray,
It's a world that is being reborn every day."

Congratulations, you're a graduate! And everybody likes a graduate . . . know why? Your vitality! There's such enthusiasm, such free thinking, such hopeful ambition. Please don't lose it . . . these qualities, plus a little realistic understanding that things won't ALWAYS turn out your way, can make you someone very special - and someone this "weary old world" needs. Your vitality, your enthusiasms are infectious . . . and they pave the way for independent, intelligent thinking and decisions, instead of just going along with the way things have always been done. Not that you can drive merrily through every roadblock - but don't stop completely . . . you can always drive around it. Add a little persistence to your enthusiasms and you can help remove some of the roadblocks permanently. So keep that vitality, that independent spirit. We like it!

KLING FROST PHILPOTT & SMITH - ARCHITECTS

An aerial photograph of a modern elementary school building. The building is a long, low structure with a white upper section and a lower section featuring a grid of windows. A large, dark, triangular entrance is visible on the right side. Several people are walking on a paved path in front of the building. The background shows a dark, wooded area with a body of water in the distance.
